

SIMPLY THE

BEST

MAY/JUNE 2005

Stain Away

If you're plagued by clumsiness that includes at least one minor spill a day, you might want to try suiting up in duds crafted with Nano-Tex Fabric. Unlike treatment spray, Nano-Tex builds spill resistance right into the fibers that make up fabric and it can be found in some of our favorite brands, including Brooks Brothers, Nordstrom Men's Shirts, Dockers, GAP and Nautica.
